

MASTERPIECE Home Fires

Sundays, October 4 - November 8 at 8:00 p.m.
Follow the exploits of the Great Paxford Women's Institute, a group of inspirational women in a rural Cheshire community during WWII. With their husbands, fathers, sons and brothers experiencing bloodshed on the battlefields, the women band together to prevent their world falling apart.

Virginia Voices

Thursday, October 8 at 8:00 p.m.

The first state-specific, crowdsourced film of its kind. From 2013 to 2014, BPI film producer Jeff Boedeker and his crew traveled across Virginia to gather stories from Virginians. In tandem, video cameras were sent out across the state for Virginians to capture their own stories for this film.

The Brain with David Eagleman

Wednesdays, October 14 - November 18 at 10:00 p.m.

Neuroscientist David Eagleman explores the human brain in an epic series that reveals the ultimate story of us, why we feel and think the things we do. This ambitious project blends science with innovative visual effects and compelling personal stories, and addresses some big questions. By understanding the human brain, we can come close to understanding humanity.
