

**WVPT/WVPY Quarterly List of Programming
Providing the Most Significant Treatment of Community Issues
("Issues List")**

**Fourth Quarter 2011
October 1, 2011 – December 31, 2011**

In the past quarter, WVPT continued in its longstanding efforts to provide programming on issues of concern to our community. These issues include those concerning public policy, politics, current events, the economy, and national developments of local concern. The programs that provide the most significant treatment of community issues are described below. The remainder of the Issues List consists of:

- A brief description of each issue addressed by WVPT in the preceding quarter; and
- The titles of the programs that provided the most significant treatment of these issues, as well as a description of each program (including its airdate, the time at which it aired, and the duration of the program).

Washington Week is the longest-running primetime news & public affairs program on television.</p>
Women, War & Peace	Various Oct.- Nov. consecutive Monday	10:00 p.m.	<p><i>Women, War & Peace</i> is a bold new five-part PBS television series challenging the conventional wisdom that war and peace are men's domain. The vast majority of today's conflicts are not fought by nation states and their armies, but rather by informal entities: gangs and warlords using small arms and improvised weapons. The series reveals how the post-Cold War proliferation of small arms has changed the landscape of war, with women becoming primary targets and suffering unprecedented casualties.</p>
