

**WVPT/WVPY Quarterly List of Programming
Providing the Most Significant Treatment of Community Issues
("Issues List")**

**Third Quarter 2011
July 1, 2011 – September 30, 2011**

In the past quarter, WVPT continued in its longstanding efforts to provide programming on issues of concern to our community. These issues include those concerning public policy, politics, current events, the economy, and national developments of local concern. The programs that provide the most significant treatment of community issues are described below. The remainder of the Issues List consists of:

- A brief description of each issue addressed by WVPT in the preceding quarter; and
- The titles of the programs that provided the most significant treatment of these issues, as well as a description of each program (including its airdate, the time at which it aired, and the duration of the program).
